A white brick wall with shadows of palm leaves cast across it. The shadows are long and dark, creating a pattern of light and shadow across the bricks. The text "Spring / Summer 2023" is centered on the wall.

A vintage-style photograph of a white metal chair with a blue pitcher and pink flowers, set in a lush garden. The chair is positioned in the lower-left foreground, partially obscured by tall green grass. On the seat of the chair sits a light blue ceramic pitcher filled with several large, light pink roses. The background is a dense thicket of green foliage and trees, with a small portion of a white building visible through the leaves in the upper right. The overall mood is nostalgic and romantic.
